Attleboro Community Electricity Program

January 14, 2022

Dear Attleboro Electricity Customer,

The City of Attleboro is offering Attleboro Community Electricity Aggregation (Attleboro CEA), which provides new City-vetted options for electricity supply. National Grid will continue to deliver your electricity, however, the electricity supplier was chosen by the City of Attleboro through a competitive bid process that leveraged the bulk-buying power of our community, understanding that future savings cannot be guaranteed.

You will be automatically enrolled in the Attleboro CEA product, “Standard,” as of your March 2022 electricity meter read, unless you choose one of our optional products or choose to opt out.

To opt out and avoid automatic enrollment in the Attleboro CEA program, you must do one of the following before February 16, 2022:

 **mail and postmark the enclosed opt-out card** OR  **call Constellation at (833) 461-0813** OR  **submit the opt-out form at MassCEA.com/Attleboro**

Participants may also opt out of Attleboro Community Electricity Aggregation at any time during the Program without penalty. Please read further to learn more about Attleboro Community Electricity Aggregation.

— Paul Heroux, Mayor, City of Attleboro

ATTLEBORO CEA GOALS

Competitive and Stable Prices

All Attleboro CEA prices are fixed through December 2023, whereas National Grid Basic Service prices change every six months for Residential and Commercial customers, and every three months for Large Commercial and Industrial customers. Attleboro CEA offers options that are intended to be price-competitive with National Grid Basic Service, however, **savings cannot be guaranteed**. This is because Basic Service rates are not known for the entire period of Attleboro’s contract, and may therefore be above or below Attleboro CEA rates in any subsequent period.

No Obligation

Attleboro CEA includes the ability to leave the Program at any time without penalty.

Electricity Choice

Attleboro CEA offers three different electricity supply choices with different levels of renewable energy certificates (RECs) to match your budget and climate goals.

ATTLEBORO CEA PRODUCTS

Standard Product

- 1 Standard:** This is the **standard product** that you will be automatically enrolled in if you do nothing. The goal for this product is to be equal to, or lower than, the average National Grid Basic Service rates over Attleboro’s contract term. However, as future Basic Service rates are unknown, **savings cannot be guaranteed**.

Other Products

Attleboro CEA also offers two optional electricity products, each with differing amounts of RECs relative to mandated requirements. To enroll in any of these optional products, you must contact the supplier, **Constellation**, at (833) 461-0813, or sign up on the Program website: MassCEA.com/Attleboro.

- 2 50% Green:** This is an **optional product**. It includes fifty percent (50%) more Renewable Energy Certificates (MA Class I RECs) than required by the Commonwealth.
- 3 100% Green:** This is an **optional product**. It includes Renewable Energy Certificates (MA Class I RECs) equal to one hundred percent (100%) of a customer's electricity consumption, in addition to the minimum number of RECs required by the Commonwealth.

GREEN

Products described as Green contain additional Renewable Energy Certificates (RECs) above that required by MA law. The additional RECs qualify for MA Class I designation from generation located within, or delivered to, New England.

ATTLEBORO CEA PRICING

	Electricity Supply Product	Renewable Energy Certificates (RECs)	Residential	Commercial	Large Commercial and Industrial (C&I)	Price Period
Attleboro CEA	Standard	Meets minimum MA Class I requirements	\$0.10470/kWh	\$0.10470/kWh	\$0.13895/kWh	March 2022-December 2023 Rates apply to service beginning and ending on the days of the month that your meter is read
	50% Green (optional)	50% greater than MA Class I requirements	\$0.12244/kWh	\$0.12244/kWh	\$0.15995/kWh	
	100% Green (optional)	MA Class I RECs equal to 100% of customer's metered consumption	\$0.14019/kWh	\$0.14019/kWh	\$0.18020/kWh	
What You Have Now	National Grid Basic Service	Meets minimum MA Class I requirements	\$0.14821/kWh	\$0.13113/kWh	SEMA \$0.17129/kWh	November 1, 2021 - April 30, 2022 Residential and Commercial* November 1, 2021 - January 31, 2022 Large C&I*
<p>No guarantee of savings. National Grid Basic Service rates for electric supply change every six months for Residential and Commercial customers, and every three months for Large Commercial and Industrial customers. National Grid Basic Service rates may be above or below Attleboro CEA rates for customers during any subsequent period. Program prices could also increase as a result of a change in law that results in a direct material increase in costs during the term of the electric supply contract.</p> <p>Rates indicated above are for Supply Services only. Commission fee for all Attleboro CEA products is included in above rates. This fee is \$0.001/kWh for the aggregation consultant. Rates also include taxes which are billed as part of the power supply charge.</p>						

ATTLEBORO CEA PARTICIPATION

To enroll in the Attleboro Community Electricity Aggregation Standard product, you do not need to take any action. To enroll in an optional Attleboro CEA product, contact the supplier, Constellation, or use the online form at MassCEA.com/Attleboro. If you don't wish to participate, mail and postmark the enclosed opt-out card on or before **February 16, 2022** to avoid automatic enrollment in the Attleboro CEA program.

Budget Plan or Eligible Low-Income delivery rate consumers will continue to receive those benefits from National Grid.

Solar Electricity Consumers will not be impacted and will continue to receive their net metering credits while participating in the Program.

Exit Terms for Basic Service: There is no penalty charge for leaving National Grid's Basic Service, however, Industrial customers (G-2 and G-3) may receive a reconciliation charge or credit.

If you have already chosen a Green Power supply option on your own, you must opt out of this Program. This will ensure you continue to receive your electricity from that Green Power Supply.

You can leave the Program any time after you've enrolled, with no early termination fees. If you leave the Program, your account(s) will be returned to National Grid's Basic Service on the next available meter read.

How to access information about Basic Service: visit www.mass.gov/info-details/basic-service-information-and-rates, or call National Grid at (800) 322-3223.

If you are receiving electricity supply from a competitive supplier and believe you have received this opt-out letter in error, you must sign and return the enclosed opt-out card. This will ensure you continue to receive your electricity from that competitive supplier and prevent any possible early termination fees.

Tax-exempt small business customers must provide a copy of their Energy Exemption Certificate directly to Constellation via email at CNETaxForms@constellation.com, fax at (877) 243-4968, or mail at Attn: Tax Team, 1001 Louisiana Street, Suite 2300, Houston, TX 77002, in order to maintain their tax-exempt status.

CUSTOMER SUPPORT & MORE INFORMATION

For more information, visit MassCEA.com/Attleboro, or call (833) 461-0813.

To select an optional Attleboro CEA product, or to opt out of the Program, please contact **Constellation** at (833) 461-0813, 24 hours a day, or email at vst@constellation.com.
